

## Chris Thomas is the new Head of Digital Assets at Swissquote

Swissquote, the leading online bank in Switzerland and a pioneer in crypto-currency trading, continues to expand its market position. Since July 2017, it has been possible for private clients to invest in crypto-currencies. Now, Swissquote is also offering institutional clients the opportunity to enter into professional crypto-trading and custody, to drive their digital asset business forward.

Chris Thomas will take on this task as Head of Digital Assets. He will focus on expanding the institutional product range, mainly offering services to asset managers, hedge funds, private banks and family offices.

Chris has over 20 years of professional experience in the financial industry, having previously worked in Sales and Trading for European investment banks in London as well as running European Innovation for Fidelity Investments and building some successful startups. Outside of the work environment, Chris enjoys learning about technology and entrepreneurship. For health and fitness, he loves to spend time in nature whether cycling, hill walking, barbecuing or relaxing with friends.
